

Tulsa Rowing Club Vision Statement

The following vision, mission, and governing principles establish the standards that guide how Tulsa Rowing Club operates, makes decisions, welcomes new members, and strengthens the future of rowing in Tulsa.

Vision statement

A sustainable, community-centered rowing organization that supports lifelong rowing in Tulsa

Mission statement

The Tulsa Rowing Club provides safe adult/masters rowing on the Arkansas River and creates opportunities for adults of all backgrounds and experience levels to participate and/or compete in the sport of rowing.

Governing Principles:

All decisions, policies, and actions of the Club must support these four commitments without undermining any other.

C — Community: We act to strengthen the overall health of the Club and welcome new members to expand the reach of rowing throughout Tulsa.

R — Responsibility: We prioritize safety, financial discipline, and responsible use of the Arkansas River.

E — Ethics: We conduct the affairs of the Club with fairness, consistency, and integrity. The Club does not discriminate and does not tolerate favoritism, retaliation, or arbitrary treatment.

W — Worthiness: We make decisions that uphold the Club's standards, reputation, and long-term integrity.

These principles guide the conduct of members, officers, and directors and serve as the standard for evaluating decisions affecting Tulsa Rowing Club.
